

I have been a volunteer ski instructor for over 14 years 10 years as a PSIA Certified Level 1 Ski-Children's Specialist-Senior Specialist and currently training for my Freestyle Specialist.

I started my teaching career at Sky Tavern Junior Program. All my children are graduates of this great program. I stayed and continued to volunteer as an instructor and as a member of the Board of Directors. I have also taught at North Star Ski Resort in Truckee, California for eight years. I'm currently teaching at Mt Rose Ski in Reno, Nevada.

I am a Graduate of St. Marys College in Moraga, California. Earning a Bachelor of Science in Business Administration and Economics. In addition, I earned a Bachelor of Arts in Spanish.

I obtained a Master's Degree in Business Administration (MBA) from Golden Gate University San Francisco, California.

I have worked for General Motors as a Dealership Consultant to insure overall profitability and administered best practices of business techniques.

After 18 years at General Motors, we purchased my first Harley-Davidson Dealership. We managed four (4) Harley-Davidson Dealerships throughout California and Nevada.

I have been involved with Sky Tavern Jr Ski Program in the grassroots operations. I have been speaking with our members both adults and children. My experience with large corporation models as well as Family Owned businesses has allowed me to see the successes and consequences that policies and procedures have on our members. I look forward to the overall success of our program to continue this rewarding program for generations to come. Thank you for the opportunity to serve.
